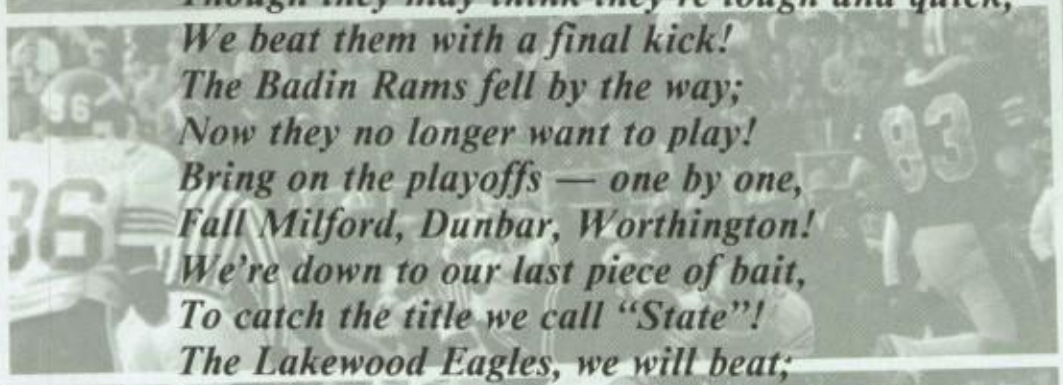
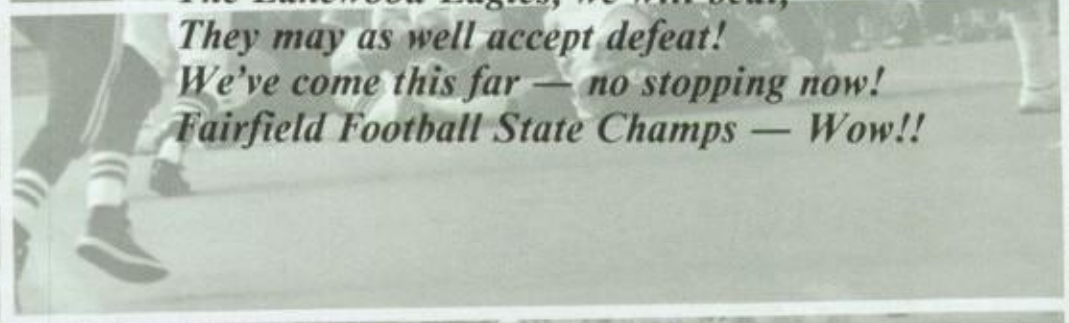
"1986 FAIRFIELD FOOTBALL SEASON"

by Rhonda L. Stewart

We've reached the finals — the end at last;
Our opponents' hopes are fading fast!
We plucked the owls; the chargers — unplugged;
The Highlanders lost and simply shrugged.
Then came Purcell with lots of pride;
Our perfect season quickly died.
But we bounced back to fade the "Blue";
The T-Birds knew that they were through!
Then came the Middies — lightning fast;
Beating them was such a blast!
The Spartans came — so tough and mean,
We turned them into "Lima beans"!
On to the Vikings — no friends of mine,
The G.M.C. was on the line!
Though they may think they're tough and quick,
We beat them with a final kick!
The Badin Rams fell by the way;
Now they no longer want to play!
Bring on the playoffs — one by one,
Fall Milford, Dunbar, Worthington!
We're down to our last piece of bait,
To catch the title we call "State"!
The Lakewood Eagles, we will beat;
They may as well accept defeat!
We've come this far — no stopping now!
Fairfield Football State Champs — Wow!!





A Time to Remember

The 1986 Fairfield Indians Football Team left an impression on FHS, Fairfield, and Ohio with their spectacular performances during the regular and tournament football seasons. The players will forever live in infamy from the records they set. The '86 record breakers include:

John Pfeifer, Jerry Renners, and Scott Hormann were also selected to play in the annual East-West All Star Game.

This year marked many milestones. A first for Fairfield was winning the very tough and highly sought-after Greater Miami Conference. Team awards include Nick Toon, MVP; Scott Hormann, Most Valuable Back; John Pfeifer, Most Valuable Offensive Player; and Tim Ritzie, Most Valuable Defensive Player.

These players were not only gratified for their hard work by the cheering and support of their fans, but also through their capture of the state title. These football players had what it took to get on the playing field, face their opponent, and use their playing skills as a team to lead them to many victories. These victories in turn lead them to one of the greatest days in school history; the day the Fairfield Indians, led by Ben Hubbard, opposed Lakewood St. Edward to bring home the name of State Champions of Ohio. That day will forever be held in the highest regard as will the people who made that dream a reality. They had a dream and they made it . . . A TIME TO REMEMBER.

A Time To Cheer

The cheerleaders had quite an eventful year. To start off, over the summer they won Grand Champions at the International Cheerleading Foundation's camp. To add to the excitement they went to state to support the football team, and ended the year cheering the basketball team on to regionals. All in all they played an important role in our productive year in sports.

Fairfield's Marching Band is one of the most dedicated groups in our school. Each day after school, you could always find the band practicing outside for our half-time pleasure every Friday night during football season. The concentration on their faces and the swing in their step shows how important their performances were to them. The band put the Fairfield spirit into the crowds and really got them fired up.

Time for Romance

Every girl's dream came true on Valentine's Day when the King of Heart's court was assembled with ten of the best-looking guys in the school. A wonderful evening of laughter was topped with the crowning of the King, Randy Hubbard.

Study Time

As well as being enrolled in extra curricular activities, FHS students take academics very seriously. ACT scores at FHS were higher than both state and national averages and students gave an equally strong performance in each of the five subject areas. From the arts to the science labs, Excellence is a Fact.

1. **Future scientists** -Michelle Langdon, Heather Waldroff, and Vickie Welte are taken by surprise as they sport their trendy Chemistry headgear. 2. **Senioritis** -Shelley Wroot demonstrates a typical senior's attention span in class. 3. **Ready, type** -Carrie Hart and Allison Fritz are busy at work in typing class. 4. **Artists at work** -Todd Bennett and Gene Chung perfect their sculpting techniques in ceramics.

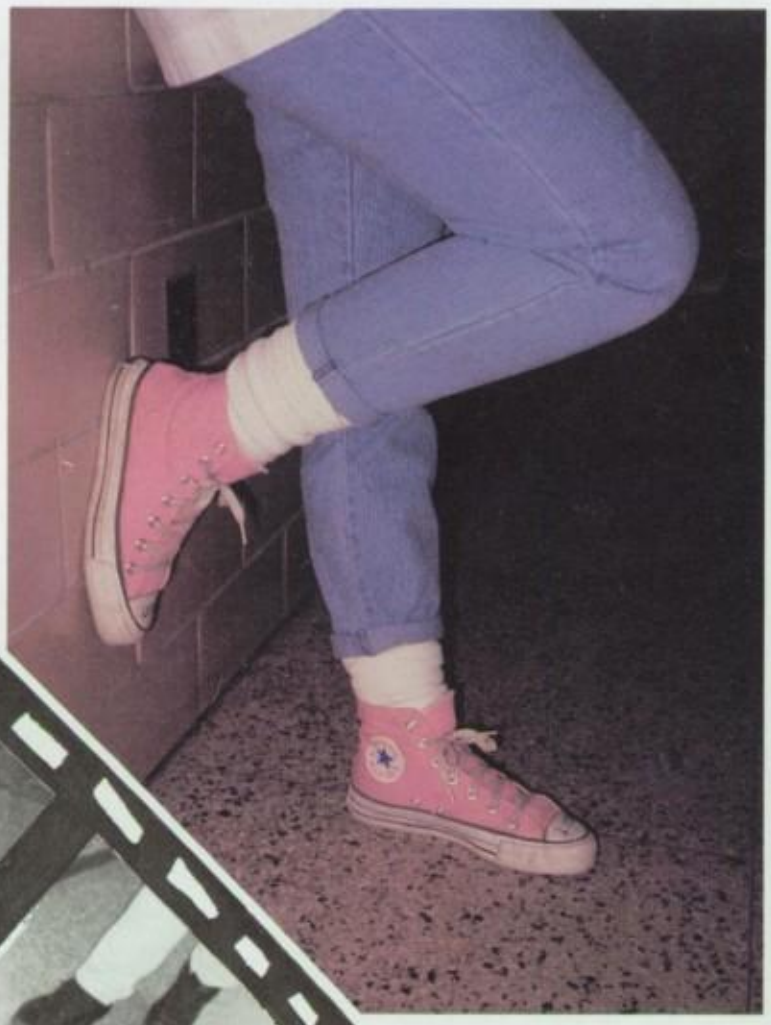
IT'S

Lights, camera, action! This year the spotlight was on fashionable footwear as F.H.S. students stayed one step ahead of the latest trends and fads. From high tops to flashy pumps, students exhibited style and originality at its best.

SHOETIME!



HARD TIMES . . . CASHLESS AND CARLESS

Many students at F.H.S. have experienced the trials and tribulations of being cashless and carless; some more than others. Even the proudest person can be reduced to begging for money, bumming a ride home, or even worse . . . riding the bus. Here's just a small glimpse of the poverty stricken students that roam the halls at F.H.S.

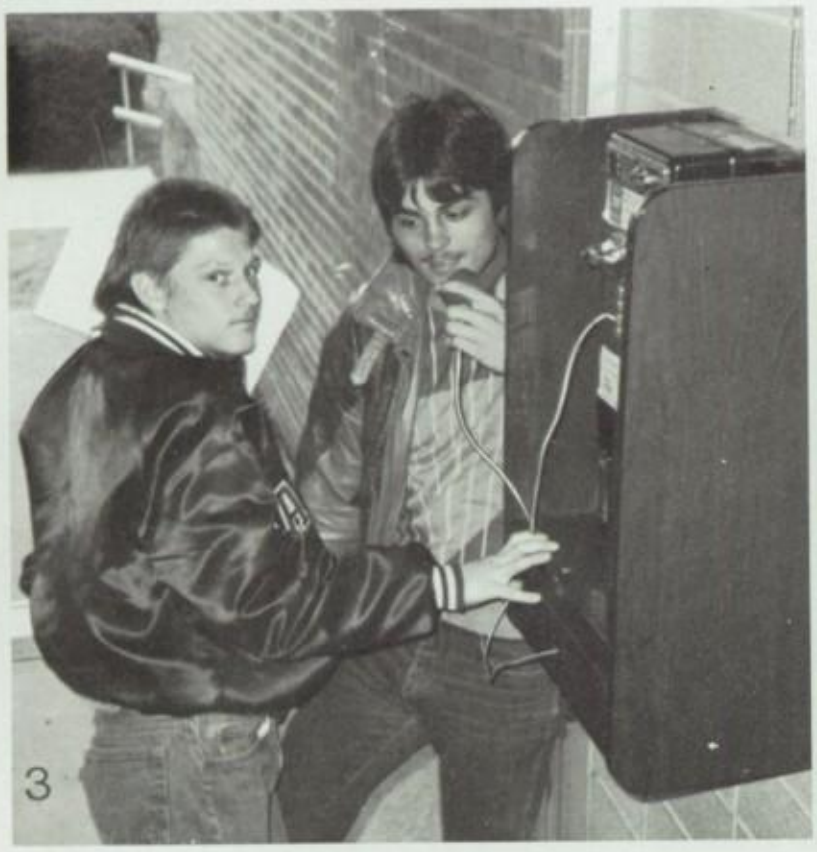
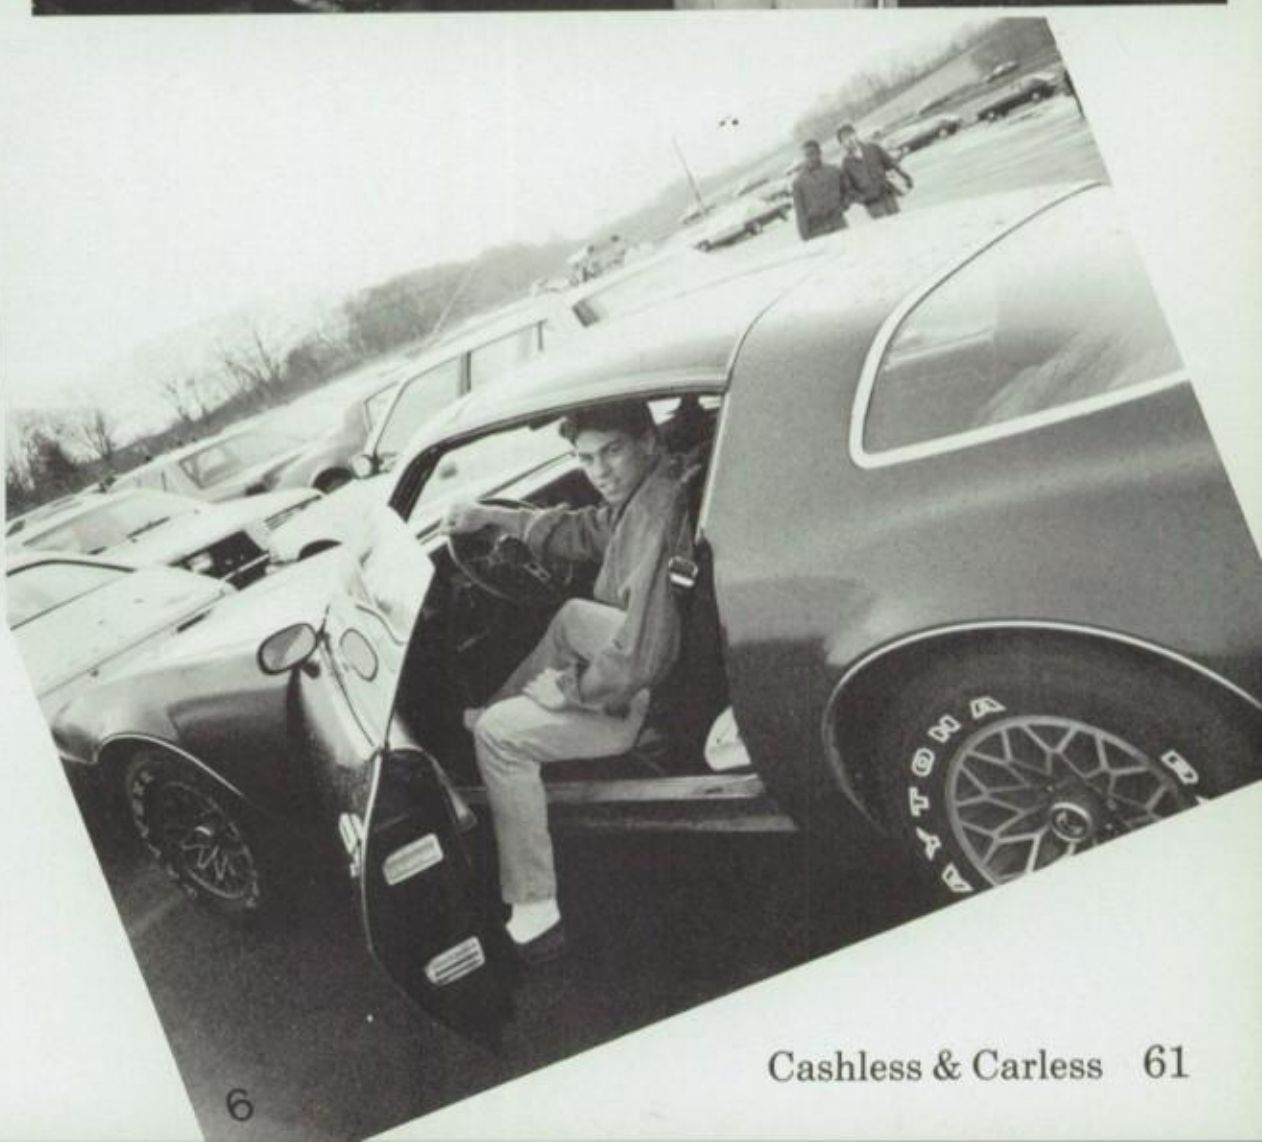
1. **Cashless** -John Napier is experiencing a temporary cash flow problem. 2. **Low on Cash** -Jeff Pielage treats Shonda Janssen to a night on the town at McDonalds. 3. **Cashless** -Lint is the only thing Gina Ferrini has in her pockets. 4. **Carless** -Jenny Beiser is a frequent visitor to the passenger side of Carrie Morgan's car.



1. **Cashless and Carless** -Without transportation or cash, Jim Vance has given up making it to Florida. 2. **Cashless** - "Mom, can I please borrow a few dollars?" pleads Missy Doughty. 3. **Carless** -"Uh . . . Er . . . Mom . . . ," Todd Joseph waits patiently while Jared Hodges phones home for a ride.



4. **Cashless** -Chris McDonald, Kim Kunkleman, Kathy Robinson, and Shelley Elkins attempt to scrape up enough money for a hot, nutritious lunch. 5. **Carless** — Mr. Schmidt is awarded a car built for comfort not speed. 6. **It must be nice!** Bryan Selby shows that not everyone at F.H.S. is cashless and carless.

From the classic look of Levi's to Coca-cola shirts, fashions from all times are, represented at Fairfield. Starting with The 60's, 1. Tim Tannenbaum is well suited for ceramics in his artistic, hippie look. Next, The 70's, 2. This student sports "The Road Warrior" look, and of course, The 80's, 3. Leo Chao is always up to date in his choice of clothing. The 50's 4. are represented in the Mash look by Mike Campbell. We're not quite sure what era this look comes from, but 5. Eddie Fowler wears it well. The 50's 6. are updated by Sonya Yong, and The 80's look 7. is creatively sported by Jim Leuger's inside-out motif and 8. the latest fad, Coca-cola wear. The 60's denim jackets 9. make a new 80's look in Doug Bishop's wardrobe while 10. Christine Gabbard's suited by a combination of 60's, 70's, and 80's fashions. 11. Matt Lepof sticks to a classic look of denim and finally 12. Lisa Cooper relaxes with her updated 60's psychedelic pants.

Although some of them left FHS and went to JVS, they are still considered students of Fairfield. MEETING TIME

The class councils are important groups providing leadership, organization, and spirit to our school. Each class council has its own special purpose. The seniors provide overall leadership to the students, especially the underclassmen. Their activities include organizing the homecoming dance, blood drive, teacher appreciation activities, and helping out at Indian Summer Days. The juniors are given the big responsibility of raising money and planning for prom while also sponsoring other dances and events during the year. Sophomores sometimes take a while to get into the swing of things, but we know they'll eventually catch on.

TIME CHEERS

Wrestlettes begin their season with tryouts in the spring the previous year. They attend summer cheerleading camp and many hours of practice go into perfecting their chants. The support they give to the wrestling program is not only evident at matches but also by the signs in the hallways and spirit tokens that they give to the wrestlers. They also assist at the tournaments. All of this hard work always results in a very close-knit group.

DOWN FOR THE COUNT

Throughout the 1986-'87 year, sport success has been a rule rather than an exception. This stands true for the undeafeated Indian Wrestlers who wound up with a successful season by sending ten wrestlers to regional, four to state, and as a whole placing high in the state ranks. The Indians placed first in districts, second in regionals, and once again brought home the G.M.C. title. The attack was lead by state placers Jason Laflin and Ben Baker who placed second and fourth respectively. Bobby Duncan, a four time state qualifier, a school record, added strength as did Eric Laflin when he also went to state. Many more outstanding achievements were made including a strong reserve team. Their record was 9-4. The reserves were lead by Glenn White and Tim Hopkins. The coaching staff of Masanek, Massie, and Bown, popularly known as The Best Looking Coaching Staff, led our teams to another successful season.

Top Middle -Jason Laflin walks off the mat with a victory that got him Wrestler of the Year & a place in state. **Top Left** -Benny Baker, most valuable wrestler; and Bobby Duncan and Mark Hanna check out their new shirts. **Top Right** - Benny Baker in action at state where he placed fourth. 1. **Varsity Wrestling Team** -front row; Scott Ross, Bob Sherman, Mark Hanna, Eric Laflin, Bob Duncan, Ben Baker, Jason Laflin, Mickey Magdich. 2nd row; Steve Taylor, Coach Massie, Todd Flyr, John Eversole, Matt Burns, Jim Vangen, Paul Kim, Jeff Marmer, Phuc Bui, Dave Smith, Coach Masanek. 3rd row; Coach Stansell, Scott Vanover, Spencer Johnson, Ed Franklin, Bryan Saleeba, William Jackson, Mike Christian, Steve Norman, Tim Hopkins, Mike Cornell, Coach Bown, Coach Lefkof. 2. **Reserve Wrestling Team** -front row; Nicky Hawn, Stacey Ball, Glenn White, Brian Robinson, J.D. A Time For

The FHS Blood drive was a total success (putting aside the fact that a few people passed out)! MASH was the theme for the event and there were many participants. 104 pints of blood were taken that day, the most ever in the history of the FHS Blood Drives. Students could either donate their blood to a senior citizen or start a family blood bank. It was a charitable event for all who attended.

Here at Fairfield High School many people express themselves through the clothes they wear, the slang they use, and the way they choose to style their hair. There is quite a variety of coiffures here at FHS. They vary from long flowing tendrils to short conservative cuts to very punk/alternative looks. According to a National Enquirer Magazine article, "Hairstyles & your Personality," 1. Joe Sansone is independent and has a fun-loving nature. 2. Dan Jones is described by this reliable publication as warm hearted, dependable, and efficient. 3. Todd Bennett has the ability to organize, in fact, that's one of his strengths. 4. Leo Chao is high-spirited and very adventurous. His long flowing tendrils suggest a happy-go-lucky attitude toward life. 5. Jon Roberts displays that he has a strong sense of humor and a creative mind. 6. This anonymous Fairfieldian shows her self-confidence and knows her own capabilities. 7. Chris McDonald 8. TIME

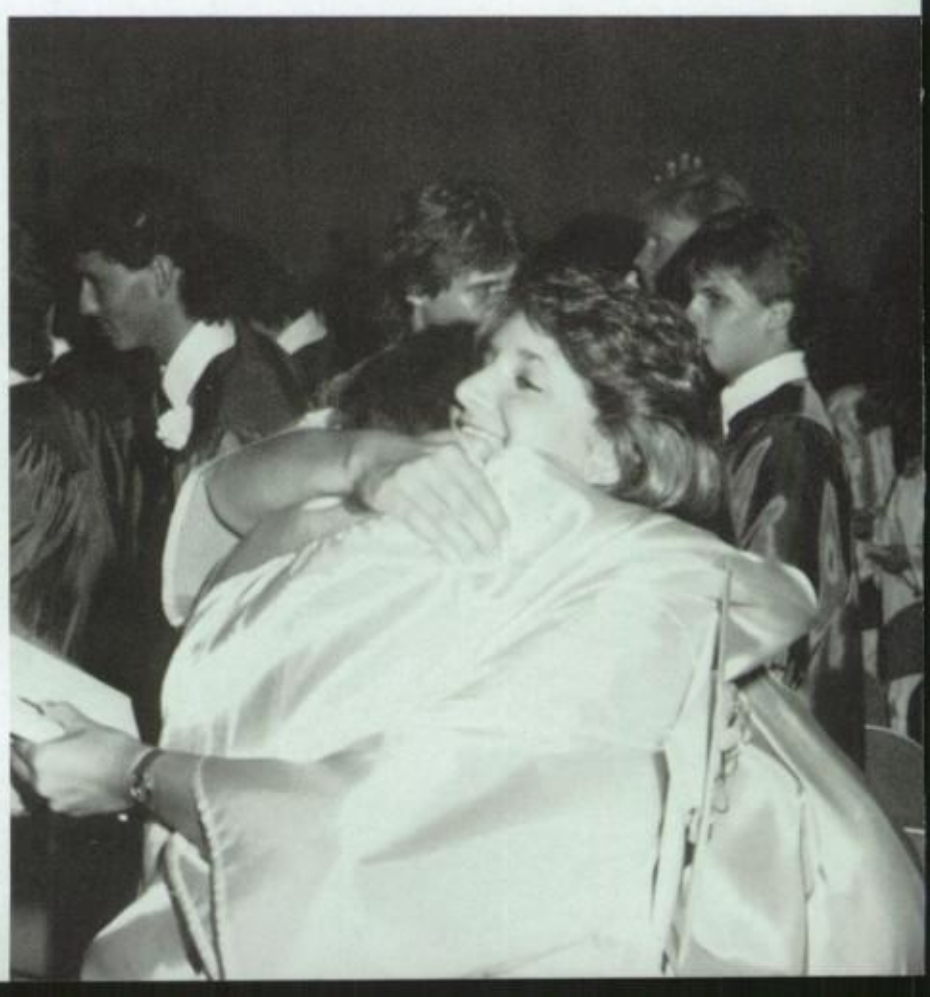
A Time to Move on

OUT OF TIME

Every year when the sun starts to get hot a magical ceremony takes place in Fairfield students of all shapes and sizes put on baggy red and white robes and big square hats with long tassels to poke their eyes out with. The students gather in a big hallway (known as Millet Hall) where they sit listening to long speeches and collected little books called diplomas. Finally at the end of the ceremony they moved the tassels over to poke their other eye out. After the students could tolerate no more pain they joyously took their hats off and threw them into the air and immediately their faces began to fill with smiles. Perhaps the most gratifying aspect of this ritual is the fact that these students entered the hallway as seniors and left as graduates!



1. **Aren't we ready yet** ? Rockin' Robin Zimmerman can't wait to start the ceremony. 2. **The Intellectuals** -Beefy grades are why Cory Linden, Lori Kolb, and Imran Khan got to sit in the front row. 3. **Contemplation** -Brian Loos and company think about the future. 4. **Our Valedictorian** -Gina Ferrini gives a friend a good-bye hug. 5. **All Smiles** -The end of the ceremony is getting closer. 6. **The "Van Man"** - Tony Hackworth showed us his own style at graduation. 7. **The Tassel Turning** -The High Honor Students turn their tassels as a sign of graduating. 8. **Another hug** ! Lori Leichman gives one of the many hugs of the evening. 9. **Shall we pray** ? John Napier gives the benediction.

How Times

Teachers were asked what the biggest difference in high school today was from when they went to school. Some of the responses were:

"I went to Badin and we always beat Fairfield in Football."-Janet Huff

"I have a big messy desk and sit in front of the room. In H.S. I had a little clean desk and sat in the back with the XYZ kids."-Gary Yeatts

"The mini skirts are longer now."-Julie Staudt

"The 'long hairs' occupied the 300 wing then."-Barry Williams

"Prom: Today, kids rent tuxedos and limos, eat at fancy restaurants and stay out all night. Our prom was like wash & wax the family car, clean & press your one basic blue suit and show up at Shoney's for dinner. Oh yeah, and be home by 12:30 or you're grounded."-David Spears

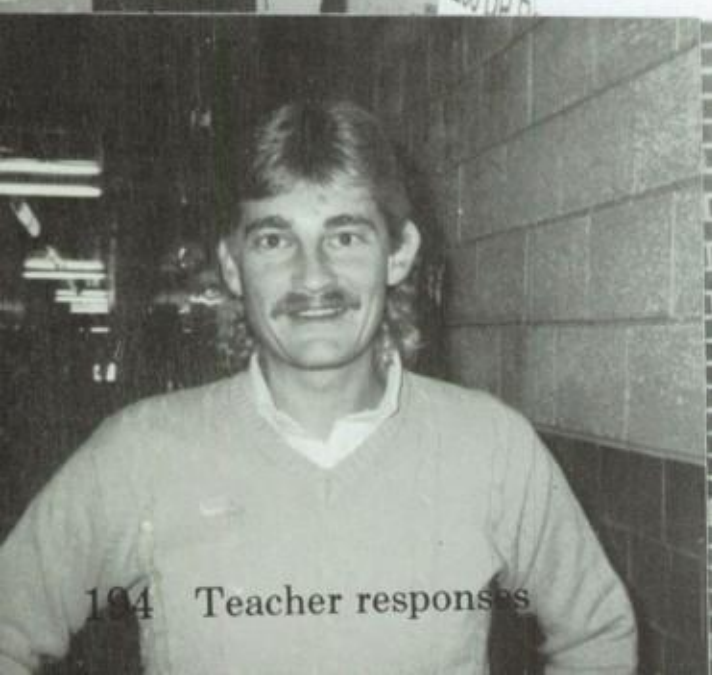
"The biggest difference in this high school today from this high school when I went here is the winning athletic program."-Donna Casey

"Today's students seem to be more conscious about their future. They also seem more concerned about making alot of money and their physical appearance."-Doug Lopina

"I don't remember one person even driving to school; we all walked like "Little House on the Prairie." Also, we really had almost no choice as to classes."-Betty Stover

"I am a Fairfield graduate. I remember Mr. Huening and Mr. Frinfrock were neither gray nor needed glasses."-Nancy Simmons

"Lunches cost 30 cents. Girls wore dresses and guys, dress slacks(never jeans)." -Charlotte Burr



Have Changed

Pre-WW II: attending school was a privilege; work was a necessity toward family survival. Today, school is a right — and rights are frequently abused; student jobs are aimed more toward student gratification. But, students haven't changed — only time has allowed the frame-work for differing outlooks."-Howard Metcalfe

"The biggest difference I notice is that today students dress up for school. When I was in H.S. we used to dress down for school. Your cruddiest jeans were an essential part of your daily wardrobe." -Monica Mitter

"Then-I attended an all girls high school so we weren't concerned so much with appearance but academics! Certainly no blue jeans or gum chewing were permitted. Today-Pressures placed upon students are more relaxed; it's a fun atsmospere . . . "-Pam Turner

"The intimacy between students today is rather extreme. Today kids have no shyness as they kiss in the hallways between class. I think the values of todays kids are extremely different as those when I was in school, especially the girls."-Ron Chasteen

"School was small (never heard of snow days) Had 1 hour for lunch and went home for it. Discipline was stricter."-Sylvia Jones

"My graduating class were 15 strong. Everyone took part in activities."-Dan Frinfrock

"My mother didn't work so she was home when I left for school and when I returned. We had to be really sneaky to get away with anything. Today, both parents work, as a rule, and high school students are largely on their own. While this may foster a sense of responsibility in our students, it also leads to a great deal of unsupervised time, and the subsquent problems that stem from that."-Bronwyn Nelson

"No slacks for girls, no PDA-that means not even any hand holding; no after-school jobs (there were no fast-food chains); much more participation in extra-curricular activities (there wasn't anything else to do!)"-Debbie Smith

DOING TIME

Being an aid is a good way to stay out of study hall and to keep on socializing while running errands. It's also a good way to relax and unwind before going back to the confinements of the classroom.

Creating Time

Unique, gifted or just raw talent is a few words used to describe the group of fine students, honorarily chosen by teachers to be in The Art Honors Society. Led by senior president Jim Vance these students range from sophomores to seniors as they show off their work. The group is over seen by Ms. Staudt, Mrs. Anderson, Mrs. Fennen & Miss Zehler. Once again we salute this fine group for the achievements they have acheived and the efforts they have put forth.

No, it was just our very own Tim Tannenbaum as he hangs loose at the Art Honor Induction.

Bright Times

Fairfield has an elite group of students who have been recognized for their excellence not only in academics, but also in school and community activities. Students need to maintain at least a 3.5 GPA to be considered for induction. The National Honor Society has many activities such as helping teachers, tutoring students, and ushering Variety Show and Graduation.

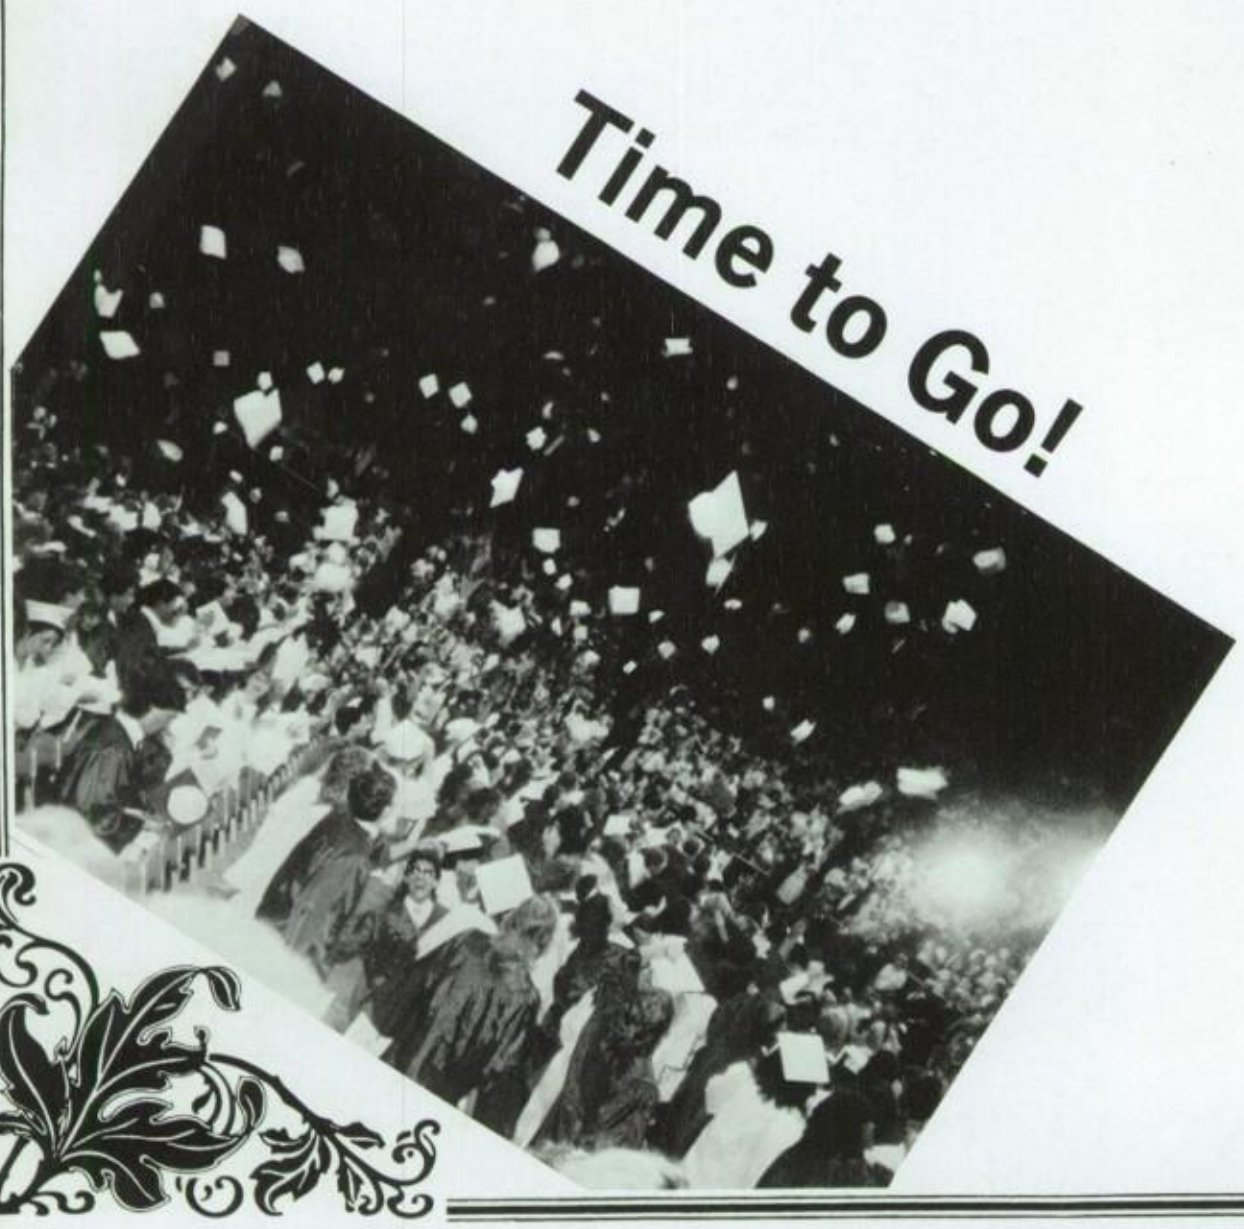
N. BROWNING

Time to Go!



Dani,
Well I looked through
your yearbook and
it looks like I was
the first to sign. Even
before Ron Roberts! ☺
We've been friends
for a long time. Let's
keep it that way.
You a great person,
your pretty & intelligent.
Good luck with
everything you do.
Hope you and Ron
always get along.
Try not to ~~fight~~ bicker
with him. At least
he's not moving in
with a girl. Like
some people know. ☺
Keep in touch
868-6738

Jen

Mark,
You are a very sweet + shy girl. I'm glad that we have become good friends. Hope to stay friends forever, I hope you get everything out of life you want - including 4.0. Keep in touch.
Love,
Connie 20-4158

Barb, We have been in the same class for two years. In this two year we have become fairly good friends. Hope to see ya around.
